Testimonial

"We ship pallets of our goat cheese to the USA. McCallum/BRI have worked with us to create the ideal export pallet to maximize the volume of goat cheese that can be shipped inside a 40 foot container.

McCallum/BRI were an obvious choice due to their responsive and flexible production, competitive pricing, and consistent quality. The team at McCallum/BRI provide exceptional customer service and their vision to fulfill the unmet needs of their community aligns with our vision to produce food sustainably. We look forward to growing our businesses together."
